Touching Me Touching You

Squeeze

I'm always touching myself
I've got nothing else to do
And when I'm touching myself
I'm always thinking of youTouching me, touching you
I've got nothing else to doTouching, touching you
Touching, touching me
Here, there and in my hair
And when you touch meI'm always playing around
Eyes closed, neatly occupied
And when I'm playing around
I think of all the things I likeTouching me, touching you
I've got nothing else to doTouching, touching you
Touching, touching me
Here, there and in my hair
And when you touch me
