

# Touching Me Touching You

## Squeeze

I'm always touching myself  
I've got nothing else to do  
And when I'm touching myself  
I'm always thinking of you Touching me, touching you  
I've got nothing else to do Touching, touching you  
Touching, touching me  
Here, there and in my hair  
And when you touch me I'm always playing around  
Eyes closed, neatly occupied  
And when I'm playing around  
I think of all the things I like Touching me, touching you  
I've got nothing else to do Touching, touching you  
Touching, touching me  
Here, there and in my hair  
And when you touch me
