

# All By Myself

James Booker

Little girl don't you want to stay?  
I want to be your lover man  
All by myself  
All by myself I don't need no one to love you  
I'm gonna love you all by myself You'll find, little girl, you know it too,  
Don't you know I'm in love with you  
All by myself  
All by myself I don't want no one to love you  
I want to love you all by myself
