Paralyzer

Finger Eleven

Advisory - the following lyrics contain explicit language:

I hold on so nervously
To me and my drink
I wish it was cooling me
But so far has not been goodIt's been shitty
And I feel awkward as I should
This club has got to be
The most pretentious thingSince I thought you and me
Well, I am imagining
A dark lit place
For your place or my place[Chorus]
Well, I'm not paralyzed
But, I seem to be struck by you
I wanna make you move
Because you're standing still
If your body matches
What your eyes can do
You'll probably move right through
Me on my way to youI hold out for one more drink
Before I think
I'm looking too desperately
But so far has not been funI should just stay home
If one thing really means one
This club will hopefully
Be closed in three weeksThat would be cool with me
Well, I'm still imagining
A dark lit place
For your place or my place[Chorus x3]You'll probably move right through
Me on my way to youYou'll probably move right through
Me on my way to you
