

# Nightshift

## Home of the Lane

Marvin, he was a friend of mine  
And he could sing a song  
His heart in every line  
Marvin, sang of the joy and pain  
He opened up our minds  
And I still can hear him say Aw, talk to me  
So you can see what's going on  
Say you will sing your songs  
Forevermore, evermore Gonna be some sweet sounds coming down on the nightshift  
I bet you're singing proud, I bet you'll pull a crowd  
Gonna be a long night, it's gonna be all right on the nightshift  
You found another home, I know you're not alone on the nightshift  
You found another home, I know you're not alone on the nightshift Jackie, hey what you doing now  
It seems like yesterday  
When we were working out  
Jackie, you set the world on fire  
You came and gifted us  
Your love it lifted us, higher and higher Keep it up  
And we'll be there at your side  
Say you will sing your songs  
Forevermore, evermore Gonna be some sweet sounds coming down on the nightshift  
I bet you're singing proud, I bet you'll pull a crowd  
Gonna be a long night, it's gonna be all right on the nightshift  
You found another home, I know you're not alone on the nightshift Gonna be some sweet sounds coming down  
on the nightshift  
I bet you're singing proud, I bet you'll pull a crowd  
Gonna be a long night, it's gonna be all right on the nightshift  
You found another home, I know you're not alone on the nightshift Gonna miss your sweet voice, that soulful  
voice  
On the nightshift, we all remember you  
The songs are coming through at the end of a long day  
It's gonna be okay on the nightshift  
You found another home, I know you're not alone on the nightshift
