Any Other Way

William Bell

You've tried to open your mouth
But only shit would come out
I always wondered where you got it from
You haven't heard a damn word I've said
You never believed in anything I did
I don't care what you're doing
Do what you want to look what it got you
(Aaa)
You can't help yourself
I know you'll never change
You say you don't need anyone
And wouldn't have it any other way
Just try to open your eyes
And try my life on for size
I always wondered who you're hiding from
You haven't heard a damn word I've said
You never believed in anything I did
I don't care who you're doing
Do who you want to, look what it got you
(Aaa)
Well you can't help yourself
I know you'll never change
You say you don't need anyone
And wouldn't have it any other way
(Aaa, aaa)
Oh you made a big mistake, and won't admit it

You say you don't need anyone
(Aaa, aaa)
Oh you made a big mistake, so don't forget it
I know you'll never change
And wouldn't have it any other way
You can't help yourself
I know you'll never change
You say you don't need anyone
You say you don't need anyone
You say you don't need anyone
Hoo
You've tried to open your mind

And leave your last life behind
I always wondered what you're runnin' from
(Aaa, aaa)
Oh you made a big mistake, and won't admit it
You say you don't need anyone
(Aaa, aaa)
Oh you made a big mistake, so don't forget it
I know you'll never change
And wouldn't have it any other way
(You say you don't need anyone, anyway)
(You say you don't need anyone)
And wouldn't have it any other way
(You say you don't need anyone, anyway)
You say you don't need anyone
And wouldn't have it any other way
