## Heldon

Johnny is a man and he's bigger than you  
But his overheads are high and he looks straight through  
When you ask him how the kids are  
He'll get home around seven 'cos the Chevy's real old  
And he could have had a Cadillac if the school had taught him right  
And he could have married Anne with the blue silk blouse  
He could have married Anne with the blue silk blouse  
And the food is on the table but the food is cold  
Don't hit her, "Can't you even cook? What's the good of me  
Working when you can't damn cook?"  
Well, Johnny is a man and he's bigger than her  
I guess the bruises won't show if she wears long sleeves  
But the space in her eyes shows through  
And he could have married Anne with the blue silk blouse  
He could have married Anne with the blue silk blouse  
Shows through, shows through, shows through
