Tonight

Nick Jonas & The Administration

Well, here we are again
Throwing punchlines, no one wins
As the morning sun begins to rise
We're fading fast won't work this out
No, we're not gonna work this out tonight
No, we're not gonna make this right
So I'll give a kiss and say goodbye
'Cause we're not gonna work this out tonight
Every single word's been said
Broke each other's hearts again
As the starlit sky begins to shine
We're breaking down and she screams out
No, we're not gonna work this out tonight
No, we're not gonna make this right
So I'll give a kiss and say goodbye
'Cause we're not gonna work this out tonight
We don't have to fight tonight
We just gotta try
We don't have to fight tonight
We just gotta try, tonight
So I'll give a kiss and say goodbye
'Cause we're not gonna work this out tonight
There's no need to fight, we're just wasting time
If you give it a try, well, then maybe you'll find
We might work this
We know we're in love so let's keep it alive tonight
And I'm starting to see the morning light
And we finally worked this out, ooh, tonight
Yeah, yeah
