

# Killing Time

## Metallica

Sound of gunfire comes through the night  
Killing and hatred, it's a terrible sight  
Reports come in of the heavy attack  
Message is seen, we're moving backPreparations are made for the journey back  
It's a survival, supplies are packed  
No more nights in this eternal hell  
Destination is simple, we move outKilling time, you left from the line  
Killing time, your turn to kill  
Killing time, what do you say?  
Killing time, aha, killing timeAnd he knew what he needed to keep us alive  
No time for cowardice, kill and survive  
Like a killer kid with a switchblade knife  
Nasty word, he'll take your lifeThe silence is over, they attack again  
Killing and hatred drive me insane  
Reports come in of a heavy attack  
Message is seen, we're moving backKilling time, you left from the line  
Killing time, your turn to kill  
Killing time, what do you say?  
Killing time, aha, killing timeSound of gunfire comes through the night  
Killing and hatred, it's a terrible sight  
Reports come in of a heavy attack  
Message is seen, we're moving backAnd he knew what he needed to keep us alive  
No time for cowardice, kill and survive  
Like a killer kid with a switchblade knife  
Nasty word, he'll take your lifeKilling time, you left from the line  
Killing time, your turn to kill  
Killing time, what do you say?  
Killing time, aha, killing time
