## **Killing Time**

## Metallica

Sound of gunfire comes through the night

Killing and hatred, it's a terrible sight

Reports come in of the heavy attack

Message is seen, we're moving backPreparations are made for the journey back

It's a survival, supplies are packed

No more nights in this eternal hell

Destination is simple, we move outKilling time, you left from the line

Killing time, your turn to kill

Killing time, what do you say?

Killing time, aha, killing timeAnd he knew what he needed to keep us alive

No time for cowardice, kill and survive

Like a killer kid with a switchblade knife

Nasty word, he'll take your lifeThe silence is over, they attack again

Killing and hatred drive me insane

Reports come in of a heavy attack

Message is seen, we're moving backKilling time, you left from the line

Killing time, your turn to kill

Killing time, what do you say?

Killing time, aha, killing timeSound of gunfire comes through the night

Killing and hatred, it's a terrible sight

Reports come in of a heavy attack

Message is seen, we're moving backAnd he knew what he needed to keep us alive

No time for cowardice, kill and survive

Like a killer kid with a switchblade knife

Nasty word, he'll take your lifeKilling time, you left from the line

Killing time, your turn to kill

Killing time, what do you say?

Killing time, aha, killing time
