

Quicksand

Miles Kane

Ba ba ba da ba ba ba da da da
ba ba ba da ba ba ba da da da
ba ba ba da ba ba ba da da da
ba ba ba da ba ba ba da
riding on this wave of blue sequins
shhiimmmmm-eeerrrrrrr-iiinnnnngggggg
tango foxtrot i'm in trouble
can you hear the clammer laughter and louder
(chorus)

i see you falling, gently onto the cobbles
skipping into the quicksand
not into my arms
i see i'm falling, gently onto the cobbles
skipping into the quicksand
not into your arms.

ba ba ba da ba ba ba da da da
ba ba ba da ba ba ba da da da
ba ba ba da ba ba ba da da da
ba ba ba da ba ba ba da

ears drop drip drip dripping down my ears
for gigs and tears
delegating gently does it
wont you delegate your hate to another
oooooooooooooooooooooooooooooooooooo
(chorus)

i see you falling, gently onto the cobbles
skipping into the quicksand
not into my arms
i see i'm falling, gently onto the cobbles
skipping into the quicksand
not into your arms.
(chorus)

i see you falling, gently onto the cobbles
skipping into the quicksand
not into my arms
i see i'm falling, gently onto the cobbles
skipping into the quicksand
not into your arms.
