

# Show You The Way To Go

Dannii Minogue

Ooh, let me show ya  
Let me show you the way to go  
I don't know everything  
But there's something I do know  
I've read and heard a lot  
And now we're ready to show  
That we can come together  
And think like one  
Come together now, live together  
Underneath the sun  
Please let me show you  
Let me show ya  
Let me show you the way to go  
Follow me my friend, hey, yeah  
Let me show ya  
Let me show you the way to go  
Just put your trust in me  
I'll try not to let you down  
The job is hard to do  
But only we can wear the crown  
'Cause we can help each other to overcome  
We can do it now

Rejoice everybody  
And get the job done  
Please let me show you  
Let me show ya  
Let me show you the way to go  
Follow me  
Let me show ya  
Let me show you the way to go  
Hey, yeah, ooh  
Never let you down, oh, oh  
Show you the way  
Show you the way to go  
Never let you down  
Show you the way to go  
I promise I will never let you down  
We can do it, we can do it

Hey, yeah  
I swear, I'll never let you down

Let me, let me, let me  
Let me, let me, let me, let me  
Let me, let me show you
