

If We Try

The Steppas

I wanna thank you for being with me
Without you I'm nothing
All the love and joy you bring
Keeps the good vibes coming
I will take you to a place
Lets keep the fire burning
Let it burn, Let it burn I'll never ever forget you
From my darkest days
to my brightest nights
You were there
Why don't you follow me
I want the world to know
The youth to learn
That we can make a difference if we try
IF WE TRY (together)
IF WE TRY
Get on your knees and pray
For the good lord to listen
Speak up how was your day
A lot should be changing
If theres a problem that you face
Speak of it today
Don't let the pain of yesterday
Take control of what tomorrow might be, Eh
