How Could I?

QueensrÃ;che

You broke another nail That's too bad for the soul What to do besides go read A magazine and smoke How could I? How could I ask for more? Everything's the same I woke up on the floor Yesterday I got a job Down at the liquor store How could I? How could I ask for more? But you want more So here you go Another page For your notebook Force a smile Yeah, life is good How could I? How could I? Once I stood too tall I twice fell to the floor Three or four times I just could not answer at the door How could I? How could I ask for more?

Go buy yourself some clothes
Now you don't feel lost
The hangers in your closet
All feel better for the loss
How could I?
How could I ask for more?
But you want more
So here you go
Another page
For your notebook
Force a smile
Yeah, life is good

How could I?

How could I?

But you want more

So here you go

Another page

For your notebook

Force a smile

Yeah, life is good

How could I?

How could I?

How could I?

How could I?

How could I ask for more?
