

Someone to Love

Stephen Marley

where is someone for me to love? x2
baby baby oh.. oh baby..
loneliness has got a hold of me oh.. x2
i wonâ€™t accept, but i must agree
this feeling ways down on my mind
where else this love will i find?
oh, my lonely heart, baby, babyâ€
where is someone for me to love? x2
oh baby baby.. oh
wonderingâ€ how did i get, so upset?
let my baby go, through the door,
now i canâ€™t see her no more
my mistakes.. stupid attitude, yeah yeah..
Ohâ€ where is someone for me to love?
baby someone for me to love yeah
where is someone for me to love?
oh baby yeah mmmhmm oh love i love i love
love, i love, i love oh baby baby. Ohâ€
Where is someone for me to love? x2
someone for me to love yeah
oh baby baby
loneliness has got a hold of me
i wonâ€™t accept, but i must agree
this feeling ways down on my mind baby
where where where
my lonely heart baby baby yeah
where is someone for me to love? x2
baby yeah uh ya!
someone someone to hold hhmm
my lonely heart yeah yeah yeah!
oh darling hmm my loney heart
where is someone for me to love? x4
baby.. hhmm..
