

# Love

## Musiq Soulchild

Love

So many things I've got to tell you  
But I'm afraid I don't know how  
Cause there's a possibility  
You'll look at me differently

Love

Ever since the first moment I spoke your name  
From then on I knew that by you being in my life  
Things were destined to change cause Love  
So many people use your name in vain

Love

Those have faith in you sometimes go astray

Love

Through all the ups and downs the joy and hurt

Love

For better or worse I still will choose you first Many days I've longed for you

Wanting you

Hoping for the chance to get to know you

Longing for your kiss

For your touch, your feel, your essence

Many nights I've cried from the things you do

Felt like I could die from the thought of losing you

I know that you're real

With no doubts and no fears

And no questions Love

So many people use your name in vain

Love

Those have faith in you sometimes go astray

Love

Through all the ups and downs the joy and hurt

Love

For better or worse I still will choose you first At first you didn't mean that much to me

But now I know that you're all I need

The world looks so brand new to me

Now that I found love

Everyday I live for you

And everything that I do

I do it for you

What I say is how I feel so believe it's true

You got to know I'm trueLove  
So many people use your name in vain  
Love  
Those have faith in you sometimes go astray  
Love  
Through all the ups and downs the joy and hurt  
Love  
For better or worse I still will choose you firstLove  
So many people use your name in vain  
Love  
Those have faith in you sometimes go astray  
Love  
Through all the ups and downs the joy and hurt  
Love  
For better or worse I still will choose you first
