

# Warriors of Time

## Black Tide

We are the ones, we are the warriors  
We are the ones who fight for our right  
We fight alone and yet we get what we want  
We love the battle and we will die for a causeWe are the warriors of time  
We are the warriors of time  
We are the warriors of time  
We are the warriors of time, yeahAnd we will fight till the day that we die  
And we will live for the battle and for the people  
And they will tell all the stories  
About the warriors of timeWe are the warriors of time  
We are the warriors of time  
We are the warriors of time  
We are the warriors of timeWe are the warriors of time  
We are the warriors of time  
We are the warriors of time  
We are the warriors of time  
We are the warriors of time, yeahThe warriors, the warriors, the warriors of time  
The warriors, the warriors, the warriors of time  
The warriors, the warriors, the warriors of timeWe are the warriors of time  
We are the warriors of time
