

# Jack & Ginger

## We Are Scientists

Well, it's about that time  
I probably ought to go  
No matter what I do  
It's way too late for self control If you liked it  
I was hoping I would know  
If you liked it  
I was hoping I would know Whoa, oh, oh  
Whoa, oh, oh  
Whoa, oh, oh Well, anything can happen  
Both our numbers on the napkins  
Drenched in coke and gin  
It's soaking in On the floor, remember  
Thanks to all the jack and ginger  
Every floor has been  
Encouragin' Well, it's about that time  
Who knows what's going on?  
I guess I should be used  
To reading signals in the dark When the lights hit  
I was hoping I would know  
When the lights hit  
I was hoping I would know That anything can happen  
Both our numbers on the napkins  
Drenched in coke and gin  
It's soaking in On the floor, remember  
Thanks to all the jack and ginger  
Every floor has been  
Encouragin' Whoa, oh, oh  
Whoa, oh, oh  
Whoa, oh, oh  
Whoa, oh, oh Well, anything can happen  
Both our numbers on the napkins  
Drenched in coke and gin  
It's soaking in On the floor, remember  
Thanks to all the jack and ginger  
Every floor has been  
Encouragin'
