

# A Year Without Rain

## Selena Gomez & The Scene

Oooooooooooh  
Can you feel me  
When I think about you  
With every breath I take  
Every minute  
No matter what I do  
My world is an empty place  
Like I've been wondering the desert  
For a thousand days ( ohhoh )  
Don't know if it's a mirage  
But I always see your face, baby  
I'm missing you so much  
Can't help it, I'm in love  
A day without you is like a year without rain  
I need you by my side  
Don't know how I'll survive  
A day without you is like a year without rain  
Ohhohoh, Wooooaahh woaahh  
The stars are burning  
I hear your voice in my mind  
Can't you hear me calling  
My heart is yearning  
Like the ocean that's running dry  
Catch me I'm falling  
It's like the ground is crumbling underneath my feet  
(Won't you save me)  
There's gonna be a monsoon  
When you get back to me

Ohhhh baby  
I'm missing you so much  
Can't help it, I'm in love  
A day without you is like a year without rain  
I need you by my side  
Don't know how I'll survive  
A day without you is like a year without rain  
Ohhohoh, Wooooaahh woaahh  
So let this drought come to an end  
And may this desert flower again

I'm so glad you found me  
Stick around me  
Baby, baby, baby, oh  
It's a world of wonder with you in my life  
Still hurting baby  
Don't waste no more time  
And i need you here  
I can't explain  
But a day with out you  
Is like year without rain  
Ohhohoh  
I'm missing you so much  
Can't help it, I'm in love  
A day without you is like a year without rain  
I need you by my side  
Don't know how I'll survive  
A day without you is like a year without rain  
Ohhohoh, Wooooaahh woaahh  
Ooohh, Oooooooooouhh
