Ignite

Baron Von Alias

Take what I want now
Leave the pain with you
Unmoved by heartache
Moved away from you

What if I could run now
What if I could die
What if I could make my heart explode and never cry

I hate what I am now
? in love
I hate what I have now
You I'm tired of

What if I could run now
What if I could die
What if I could make my heart explode and never cry

What if I could free you
What if you could smile
What if I could make your heart ignite just for a while

What if I could run now
What if I could die
What if I could make my heart explode and never cry

What if I could free you
What if you could smile
What if I could make your heart ignite just for a while

What if I could die now
What if I could go
I always loved alone
I never ever showed
