Intro

Roll Deep

Roll Deep
We're over here!
Over here!
Aaaaaaa! (Aaaaaaa!)
Yiyiyiyiyiyiyiyi (Yiyiyiyiyiyiyiy)

Yo, this is Flow Dan saying
Look out for Roll Deep entourage
Know yourself, Want yourself, be yourself
You can't be us so do what you do
Cos we know what we do
And we're looking after ourselves
In the roll deep way
For life!
