Jesus i wanna be your servant

I really love you Jesus

So help me feel your love

Jesus i wanna be your servant

I really love you Jesus

So help me feel your love

I can live i can hate to be true all of the same

You've always loved you've always been you'll always be with me

I can live i hate to be true all of the same

You've always loved you've always been you'll always be with me

Jesus i wanna be your servant

I really love you Jesus

So help me feel your love

Jesus i wanna be your servant

I really love you Jesus

So help me feel your love

I will dance for the lord

I will sing for my lord

I will give thanks to the lord

I will give praise the lord

I will dance for the lord

I will sing for my lord

I will give thanks to the lord

I will give praise the lord

He's performing great miracles...

He's love is eternal

He made the sun and the moon.

He's love is eternal

The sun to rule over the day..

He's love is eternal

The moon to rule over the night..

He's love is eternal

I will dance for the lord

I will sing for my lord
I will give thanks to the lord
I will give praise the lord
I will dance for the lord
I will sing for my lord
I will give thanks to the lord
I will give praise the lord

The heaven praise your...Wonders
Let them praise the name of the lord..The lord
The heaven praise your...Wonders
For his name alone is exalted
The lord is good and great
The king of kings, the lord of lords
The lord is good and great
The king of kings, the lord of lords
