

Completely

Michael Bolton

Completely
Wanna give my love, completely
I'd rather be alone than be
In love just half the way
I want to find someone
That I can trust Completely
Wanna give my heart, completely
To someone who'll completely give
Their heart to only me
And when I find that one
That's when I'll fall in love Completely
Not half but whole
With heart and soul, completely
Not in between
But everything, completely
That's the way it's gotta be
The way I want someone to fall in love with me Forever
Wanna feel the word, forever
And know there'll be somebody there
Forever by my side
And when that feelin' comes
That's when I'll give my love Completely
Not half but whole
With heart and soul, completely
Not in between
But everything, completely
That's the way it's gotta be
The way I want someone to fall in love with me It's all or nothin' at all
For this heart of mine
And I won't give up this heart
Until the day I find
Somebody who can be
Someone who loves me Completely
Not half but whole
With heart and soul, completely
Not in between
But everything, completely
That's the way it's gotta be
The way I want someone to fall in love with me

The way I'll meet someone to fall in love with meOhh yea
Ohh
