Old Radios

Divinyls

Move that Dial to and through On my old radio
i gotta move that dial to and thro on my old radioSearch that blank noise between
for the Music that God forseen
I'm going to search the blank noise
between the music that god forseenStop Fighting , Stop fightingHunting down the Media Chiefs for a bit of light relief
" " " " " " " "Stop fighting , stop fightingMove that dial up and down
Turn that room upside down
I'm going to move that dial up and down
move that room upside downStop fighting
Stop fightingGot to Get up (*8)Oh, Shut uup (*3)hey Mum Got to Get up
I Hate Mum? Got to Get up
(*two more)Move it!
Hey Mum , I got to get upI got to get upMove that Dial to and through On my old radio
i gotta move that dial to and thro on my old radioSearch that blank noise between
for the Music that God forseen
I'm going to search the blank noise
between the music that god forseen
