Your Feeble Mind

No Fun at All

Come and sit here for a while
Try to be like everyone else
Come and listen to me now
Don't believe in anyone elseCan't you see reputition was all you got
Don't believe competition for your feeble mind
Can't you see competition for your feeble mind
Was all that you ever gotYou've been taken for a ride
And you didn't even know
You were blinded by your pride
There was no way you could know
