

# Your Feeble Mind

## No Fun at All

Come and sit here for a while  
Try to be like everyone else  
Come and listen to me now  
Don't believe in anyone else Can't you see reputation was all you got  
Don't believe competition for your feeble mind  
Can't you see competition for your feeble mind  
Was all that you ever got You've been taken for a ride  
And you didn't even know  
You were blinded by your pride  
There was no way you could know
