

Coming Home

Rend Collective

True love is calling
I'm coming running home to You
Though I am broken
Grace is my welcome home to You I'm coming home to You
I'm coming home to You
You are where I belong
And now I'm coming home to You You are the guided
Soul that I'm chasing home to You
Like a wave to the shoreline
I'm coming crashing home to You
I'm coming home to You
I'm coming home to You
You are where I belong
And now I'm coming home to You You are my first love to my last breath
You are my first love to my final breath You are my first love to my last breath
You are my first love to my final breath You are my first love to my last breath
You are my first love to my final breath I'm coming home to You
I'm coming home to You
You are where I belong
And now I'm coming home to You
I'm coming home to You
I'm coming home to You
You are where I belong
And now I'm coming home to You
