

Alien

Lifehouse

I've been lost in a sea of faces
I've been living in a hotel
I've been trying so hard to erase this
Pain's got me crawling back in my shell

So tired of always feeling like a stranger in my skin

I don't wanna be alone
Always feeling like an alien
I don't wanna be alone
Always feeling like an alien
And I don't wanna be alone

I've been walking in my sleep for ages
I've been hiding from the shadows
I've been feeling so afraid and anxious
This time won't let me go

I think it's time I let you in
Can we start over again?

I don't wanna be alone
Always feeling like an alien
I don't wanna be alone
I've been everywhere and back again
I don't wanna be alone
Always feeling like an alien

Close my eyes and I am home
I close my eyes and I am home
I close my eyes and I am home
I close my eyes

I don't wanna be alone
Always feeling like an alien
I don't wanna be alone
I've been everywhere and back again
I don't wanna be alone
Always feeling like an alien
I don't wanna be alone
