Wash Away

Lawrence

There was this time
when I was happy from dusk till dawn
I felt like I was living in the middle of a love song
Then you walked out the door, and ever since then
I've been trying to turn back the clocks and start it all over againI'll admit, it was fun for a bit
But now that it's done
Well it ain't worth the pain just to watch it all wash away
Watch it, watch it, watch it all wash away
Watch it, watch it, watch it all wash away
Something about the way you make me feel
Made me more scared to lose you than glad about what was real
Ooh
and I regret every single day
When I had the world in my hands and I watched it all wash awayWhere did I go so wrong, yeah I tried
And now you are gone
Well it ain't worth the pain just to watch it all wash away
Watch it, watch it, watch it all wash away
Watch it, watch it, watch it all wash awaysoloCould it be, I was blind, didn't see
All of your signs
And I'd say that it ain't worth the pain just to watch it all
No, it ain't worth the pain just to watch it all
And it ain't worth the pain just to watch it all wash away
Watch it, watch it, watch it all wash away
We're gonna watch it all wash away
Watch it, watch it, watch it all wash away
Watch it, watch it, watch it all wash away
Watch it, watch it, watch it all wash away
Watch it, watch it, watch it all wash away
Watch it, watch it, watch it all wash away
Watch it, watch it, watch it all wash away
Watch it, watch it, watch it all wash away
Watch it, watch it, watch it all wash away
Watch it, watch it, watch it all wash away
Watch it, watch it, watch it all wash away
Watch it, watch it, watch it all wash away
Watch it, watch it, watch it all wash away
