Broken Hearts

Greyson Chance

I remember the first time saw you
With your pretty brown eyes that sparkled
In the light
And your long brown hair
And the way you could dance so well
And you took the air I'm breathing
And stole my heart
I don't know what happened
But we fell apart
You left me with the Broken Heart
Broken Heart
Broken hearts they never fade away
and Broken hearts are here to stay
I know what we've been waiting for
But that doesn't give you the excuse too
Then all the reason you can
Especially, my best friend
Cause you took the air I'm breathing
You stole my heart
I don't know what happened
But we fell apart
You left me with the Broken Heart

Broken Heart
Broken hearts they never fade away
and Broken hearts are here to stay
Cause you took the air I'm breathing
You stole my heart
I don't know what happened
But we fell apart
You left me with the Broken Heart
Broken Heart
You took the air I'm breathing
You stole my heart
I don't know what happened
But we fell apart
You left me with the Broken Heart
Broken Heart
Broken hearts they never fade away

Cause you took the air I'm breathing
You stole my heart
I don't know what happened
But we fell apart
You left me with the Broken Heart
Broken Heart
