Broken Hearts

Greyson Chance

I remember the first time saw you With your pretty brown eyes that sparkled In the light And your long brown hair And the way you could dance so well And you took the air I'm breathing And stole my heart I don't know what happened But we fell apart You left me with the Broken Heart **Broken Heart** Broken hearts they never fade away and Broken hearts are here to stay I know what we've been waiting for But that doesn't give you the excuse too Then all the reason you can Especially, my best friend Cause you took the air I'm breathing You stole my heart I don't know what happened But we fell apart You left me with the Broken Heart

Broken Heart Broken hearts they never fade away and Broken hearts are here to stay Cause you took the air I'm breathing You stole my heart I don't know what happened But we fell apart You left me with the Broken Heart **Broken Heart** You took the air I'm breathing You stole my heart I don't know what happened But we fell apart You left me with the Broken Heart **Broken Heart** Broken hearts they never fade away Cause you took the air I'm breathing
You stole my heart
I don't know what happened
But we fell apart
You left me with the Broken Heart
Broken Heart
