Not Alone

Discrepancies

Discrepancies - Not Alone Lyrics

Verse 1:
Iâ€™m falling down.
Darkness is the victor.
Demons caught around.
Dancing as they whisper words of impending doom.

[Everything is firm.
It was all in your mind, yo]

Itâ€™s in my head.
I canâ€™t take this lightly.
These thoughts are mine and that makes them frightening.
I may be leaving soon.

Pre chorus:
[They gather around you as you drown.
That was time to put on your face.
Behind this cloak is just a ghost jealous of every single breath you take]

Chorus:
Youâ€™re standing strong.
But it seems the ground is shaking.
Youâ€™re not alone.
Weâ€™re standing with you â€™till the end.
Whoa, Whoa
I know your heart is aching.
Whoa, Whoa
Weâ€™re standing with you â€™till the end.

Verse 2:
How can the sound of joy be so haunting?
They drag me down.
Laughing as they taught me with words of impending doom.

[I got your back.
Just try to relax, yo]

The end is near.

A distant oasis.
No longer complaints and I canâ€™t escape this.
I may be leaving soon.

Chorus:
Youâ€™re standing strong.
But it seems the ground is shaking.
Youâ€™re not alone.
Weâ€™re standing with you â€™till the end.
Whoa, Whoa
I know your heart is aching.
Whoa, Whoa
Weâ€™re standing with you â€™till the end.

[As it all starts with this as it plans to kiss right up on your tip moving your ? up on top you impossible of lock these issues to which is rising of the charts.
Feeling like the strangers in my skin and Iâ€™m so sorry that I was hurtful.
Pain loses when anger wins.
I try to be thoughtless but regardless with darkness is closing me in without falling apart when you find it in your heart to pick me up again. Shout at me Iâ€™m scared of debris Iâ€™ve been losing the human I used to be, but the canâ€™t know these demons I carry and bury with your disease.
I hear voices ? So familiar and happy the chatter of family and friends laugh and they gather around you as you drown that was time to put on your face.
Behind this cloak is just a ghost jealous of every single breath you take]

Chorus:
Youâ€™re standing strong.
But it seems the ground is shaking.
Youâ€™re not alone.
Weâ€™re standing with you â€™till the end.
Whoa, Whoa
I know your heart is aching.
Whoa, Whoa
Weâ€™re standing with you â€™till the end.

â€”â€
I just put this together.
I believe that itâ€™s at least 85% accurate.
There were a few words that I couldnâ€™t make out though. The rapping is pretty fast and sometimes a bit hard to understand.
If anyone could help me out there I would be so grateful.
Thanks!
