

# Summer Turns To High (32 Chord Song Demo)

**R.E.M.**

Mercury is rising still  
Turn the fan on high  
I won't step on my own shadow  
No one wants to crySomeone put a pox on me  
I'll spit in their eyeSummer turns to highWith my bed sheet cape and sandals  
Circle citronella candles  
Summer's here, the light is raising  
Hopes and dragonfliesIf those hopes are overshadowed,  
Cotton candy, caramel apple.Summer turns to high  
Summer turns to high  
Summer turns to high,  
Summer highAfter wine and nectarines  
The fireflies in time  
Move like syrup through the evening  
With a sweet resignI won't pine for what could have been-  
I'm preoccupied!Summer turns to high  
Summer turns to high  
Summer turns to high,  
Summer high.
