Outta the Window

J*Davey

uh oh oh oh oh uh oh ohhhi fool me once again
so i pull out my favorite pen
i turn another page
it seems i'm getting older
but i barely know my age
maybe i'm just a figment of imaginary blame
i fool me once again
is it all in my head ?
there i was so well adjusted on the wrong side of the bed
is there something u can tell me ?
cuz i'm really feeling low
i swore i knew the way
thought i knew just where to go
thought i had something to say
what do i know ?(uh oh oh oh oh uh oh ohhh)
i thought i knew what to say hey
what do i know ?
i thought i knew where to go oh
what do i know ?
i thought i knew what to say
i knew where to go
what do i know ?is it nothing but a game ?
if it is
where are the rules ?
cuz i'm not sure just how to play
will i watch it all go passing by ?
just floating in the wind
like everything i thought i knew before
i guess i'll just pretend
be like everybody else
damn i barely know my name
there i was so well adjusted
unaware of why i came
when they lock me in the looney bin
i'll tell them where to go
maybe this will be the curtain call
for all the status quo
what do i know ?(uh oh oh oh oh uh oh ohhh)
i don't know what to say hey

what do i know ?
i don't know where to go oh
what do i know
i don't know what to say
don't know where to gowhat do i know ?& all that u know
goes right out the window
& all that u know
goes right out the window
& all that u know
goes right out the window
the more that u grow
the more that u knowuh oh oh oh oh uh oh ohhh
