

Odds Are

Barenaked Ladies

Struck by lightning, sounds pretty frightening
But you know the chances are so small
Stuck by a bee sting, nothing but a B-thing
Better chance youâ€™re gonna bite it at the mall
But itâ€™s a twenty-three four-to-one
That you can fall in love by the end of this song
So get up, get up
Tell the bookie put a bet on â€œnot a damn thing will go wrongâ€•

The odds are that we will probably be alright
Odds are we gonna be alright, odds are we gonna be alright tonight
The odds are that we will probably be alright
Odds are we gonna be alright, odds are we gonna be alright for another night

Hit by the A-Train, crashed in an airplane
I wouldnâ€™t recommend either one
Killed by a Great White or a meteorite
I guess there ainâ€™t no way to go thatâ€™s fun
But somewhere in the world someone is gonna fall in love by the end of this song
So get up, get up
No itâ€™s never gonna let up so you might as well sing along

The odds are that we will probably be alright
Odds are we gonna be alright, odds are we gonna be alright tonight
The odds are that we will probably be alright
Odds are we gonna be alright, odds are we gonna be alright for another night

Sure things go wrong, but Iâ€™ll take my chances
Odds are long, so why not play?

Struck by lightning, sounds pretty frightening
But you know the chances are so small
Hit by the A-Train, crashed in an airplane
Better chance youâ€™re gonna bite it at the mall
But itâ€™s a twenty-three four-to-one
That you can fall in love by the end of this song
So get up, get up
No Iâ€™m never gonna let up so you might as well sing along

The odds are that we will probably be alright

Odds are we gonna be alright, odds are we gonna be alright tonight
The odds are that we will probably be alright
Odds are we gonna be alright, odds are we gonna be alright for another night

The odds are that we will probably be alright
Odds are we gonna be alright, odds are we gonna be alright tonight
The odds are that we will probably be alright
Odds are we gonna be alright, odds are we gonna be alright for another night
