Drinkin' My Baby Goodbye

Charlie Daniels

[Chorus]
Sitting on a bar stool
Acting like a dern fool
That's what I'm a doin' today
I'm sittin' here drinkin'
Tryin' to keep a thinking I'm crusin' my troubles away
Well now I couldn't make her stay
Well dog gone her anyway
She can't say that I didn't try-hi-hi
Poor me another one I'm finished with the other one
I'm drinkin' my baby goodbye

Every time we disagree she was always asking me
Are you a man or a mouse?
Now that she's gone she probably thinks that I'm home just a moping around the house
She probably thinks that she's the one thing I just couldn't get along without
Well wouldn't this surprise her
I gotta sympathize her as long as these bottles hold out

Well I'm a
[Chorus]

Every time I tried to sit down and talk with her it always ended up in a fuss
I tried to reason with her right up till the time that she got on that Grayhound bus
It'd be better if I just forget if 'cause she sure forgot about me
And if it takes all night I'm gonna do it right
I'm gonna sit here till I can't see

Well I'm a
[Chorus]

Well I'm a
[Chorus]

I said to pour me another one I'm finished with the other one.
I'm drinking my baby goodbye
I said to pour me another one I'm finished with the other one.
I'm drinking my baby goodbye
