

I'm So Sorry (feat. Young Thug)

Spenzo

Getting money is a hobby, hobby, hobby
I'm so sorry
Getting money is a hobby
I'm so sorry, I'm so sorry
Got a bad bitch running to the lobby I'm so sorry, I'm so sorry
I'm so sorry, I'm so sorry
I'm so sorry, I'm so sorry
I'm so sorry, I'm so sorry
Getting money is a hobby
I'm so sorry, I'm so sorry
Got a bad bitch running through the lobby I'm so sorry, I'm so sorry
I'm so sorry, I'm so sorry
I'm so sorry, I'm so sorry
I'm so sorry, I'm so sorry
Getting money is a hobby
I'm so sorry, I'm so sorry
Got a bad bitch running through the lobby I'm so sorry I'm ahead of my time
Y'all lil' niggas ain't up on my level
I'm so sorry that they think I'm Illuminati
Y'all niggas so high, I swear you worshipping the devil
I'm so sorry I never take a break
I'm too busy taking food off of niggas' plates
I can't even take my chick out on a date
I'm too busy making moves in another state man
I'm so sorry, I'm so honest
I can see the future, you're gonna be a nobody
I'm so sorry I ain't know that was your girl
She came ?
I'm so sorry that I'm worth a Bugatti
And a brand new Ferrari at the same damn time
I'm so sorry that your girl didn't pick up
She was too busy tryna bang my line, man
I'm so sorry I don't fuck with nobody
I'm just not anybody, I can't fuck with everybody
Who the fuck is you boy, you out your body
Beat a nigga down like 12 ?
You know I got racks just like Yo Gotti
Kicks on my feet, looking like I know karate
When I'm on a track, nigga, I'm a catch a body

Call the producer tell him I'm so sorry, nigga I'm so sorry, I'm so sorry

I'm so sorry, I'm so sorry

I'm so sorry, I'm so sorry

I'm so sorry, I'm so sorry

Getting money is a hobby

I'm so sorry, I'm so sorry

Got a bad bitch running to the lobby I'm so sorry, I'm so sorry

I'm so sorry, I'm so sorry

I'm so sorry, I'm so sorry

I'm so sorry, I'm so sorry

Getting money is a hobby

I'm so sorry, I'm so sorry

Got a bad bitch running through the lobby I'm so sorry, what did I do wrong?

Man these niggas can't do shit right

I'm so sorry that this ain't your song

No Muthafucka you can't live my life

I'm so sorry that I got a different chick

Running through the lobby in the muthafucking night

I'm so sorry that a nigga booked up, look up

In a different city every other night

Nigga you so sorry, that a nigga so mad

Got your chick going crazy, and even ?

I'm so sorry when a nigga get paid

Ain't it like the money you've been saving up for years?

I'm so sorry, I ain't tryna be cocky

But a nigga from the gold shit, can nobody stop me

All these hitters 'round me, shit, can nobody rob me

You ain't get the memo, gettin' cotton is the hobby

I'm so sorry, I'm the best ever

Can't be touched Floyd Mayweather

You should have known better, I'm too clever

Tell the competition, need to get they shit together

Fast ? For muthafuckin leather

Walk through the club, change the muthafucking weather

It don't really matter, we can do this shit whenever

I'm so sorry, we gonn' do this shit forever, nigga I'm so sorry, I'm so sorry

I'm so sorry, I'm so sorry

I'm so sorry, I'm so sorry

I'm so sorry, I'm so sorry

Getting money is a hobby

I'm so sorry, I'm so sorry

Got a bad bitch running to the lobby I'm so sorry, I'm so sorry

I'm so sorry, I'm so sorry

I'm so sorry, I'm so sorry

I'm so sorry, I'm so sorry

Getting money is a hobby
I'm so sorry, I'm so sorry
Got a bad bitch running through the lobby I'm so sorry
