

So Long, Good-bye

10 Years

Keep changing your mind like clouds in the sky
Love me when you're high, leave me when you cry
I know it all takes time
Like a river running dry when the sun's too brightSo long, this is goodbye
May we meet again in another life
Like strangers, passing by
May we see clearly in a different lightKeep dodging lights, like a thief in the night
The sun will rise and expose all our lies
So why deny that you and I lead different lives?
The rivers from your eyes can't change my mindSo long, this is goodbye
May we meet again in another life
Like strangers, passing by
May we see clearly in a different lightOh no, no, oh, oh, oh, oh
The rivers from your eyes can't change my mindSo long, this is goodbye
May we meet again in another life
Like strangers, passing by
May we see clearly in a different light
