Is Anybody Listening

Kelly Richey

Joshua : (Speaking) Father, can you hear me?

Man 1 : Your God hears you, Joshua. And makes you a slave, of the Pharoh! Come on.

Joshua : (Singing)

They say I've got no right
To question a life without hope
Or ask for anything more
Than to suffer and bleed
At the end of a road
They say I've got no right
To look them in the eye
That I've long than to dust their feet
One day for sure I'm gonna die

Is anybody listening
Does anybody hear
Does anybody out there see us
Drowning in our tears
Is our future written
On a sky of gold stone
God, if your listening, let us know
God, if your listening, let us know

They teach us to believe
We're not strong like them (We're not strong)
That we don't have the will
To crush these walls that hold us in (Ooohhhhh)
They try and make us think
That we'll never have a chance (Ooohhhhh)
Can I fight for my own freedom
With only these two hands

Is anybody listening
Does anybody hear (Does anybody hear)
Does anybody out there see us
Struggling with our fear (Ooohhhh)
Is our future written

On a sky of gold stone (Gold stone)
God, if your listening, let us know (Ooohhhhh)
God, if your listening, let us know (Ooohhhhh)

You can tie a rock to my soul
But you can't build a prison for my mind, no
You can chain my body to the Earth
But still the spirit flies
My spirit flies (My spirit flies)

Is anybody out there see us
Drowning in our fear
Will our hopes die slowly
In the heat of the desert sun (Oohhh sun)
God, if you hear us, send us someone (Ooohhhhh)
God, if you hear us, send someone
Ooooooohhhhooohhhhohhhh
Is anybody listening
