

As A Blonde

Fefe Dobson

I was looking in the mirror trying to find a new reflection
Wanna take the road less traveled in a different direction
Make some new mistakes, forget the ones I made
Cry some tears of joy and dress more like a boy
And come back as a blonde trying every lipstick on
As a blonde will I get whatever I want? I'll be ever so enticing, cake a lot of icing
Never have to watch my weight
Yeah, when I'm gone
I'm gonna come back as a blonde
I wanna I meet myself as someone else just to see what it feels like
Take a walk on the other side 'cause you know that I just might
Break some different hearts, finish what I start
I'm not gonna wait and mess around with fate
And come back as a blonde trying every lipstick on
As a blonde will I get whatever I want? I'll be ever so enticing, cake a lot of icing
Never have to watch my weight
Yeah, when I'm gone
I'm gonna come back as a blonde
I'm tainted, I'm tired of being the same, yeah
I'm desperate, I'm bored, I'm begging for change
What if you're normal and wanna be strange?
Come back, come back, come back
I wanna come back, come back, come back
As a blonde trying every lipstick on
As a blonde will I get whatever I want? I'll be ever so enticing, cake a lot of icing
Never have to watch my weight
Yeah, when I'm gone
I'm gonna come back as a blonde
Wave my magic wand
As a blonde will I get whatever I want? I'll be ever so enticing, down a lot of ice cream
Never even wipe my face
Yeah, when I'm gone
I'm gonna come back, come back, come back
Come back, come back, come back
Come back, come back, come back as a blonde
