Hypocrite

Lush

A silly girl, I run around
And never know my reasons
And though you're laughing with me
I know what you say about meI can't explain
It's not your business anyway
So don't say you understand
And don't pretend you're on my sideAnd I remember when you hated her
For sleeping next to him
I see your smiling face
But I know you've done worse to meYou hypocrite, don't talk to me
'Cause you're not fit to know me
So don't pretend
That you could've ever been a friendAnd still I'm sure you think, it's okay
What you've done to me 'cause I'm so bad to him
Don't even try to hide behind that stupid lie
I know your kind and I know where your loyalties lieThe silly girls, we run around
And never know our reasons
And though I understand, I guess
I'll say that you betrayed meI'm a hypocrite
I dish it out but I can't take it
I know you think it's wrong
And maybe you're right but this is my songAnd still I'm sure you think, it's okay
What she did to me 'cause I'm so bad to him
Don't even try to hide behind that stupid smile
I know our kind and I know where our loyalties lie
