

# Friendly Fire

## Generation Kill

They say help is comin  
They say help is on it's way  
They shot him down  
And he was innocent today  
They run for cover  
They got no answer  
Why they left him for dead  
They say help is comin  
They say help is on its way  
They shot him down  
And he was innocent today

Help is comin  
They say is help is on its way  
They shot him down  
And he was innocent today  
They run for cover  
They got no answer  
Why they left him for dead  
Help is comin  
They say help is on its way
