

Out in the Cold

Judas Priest

I'm layin' awake at night
I can't get you out of my mind
All I can hear is my heart beat
And a voice in the dark of some kind
Where are you now
The fears are comin' back to me once again
Oh, I wish you were here
Takin' good care of me
I want you
I feel as though I'm out in the cold
Out in the cold
Hear me calling
Cold
Out in the cold
Please rescue me
I know it was you I hurt
I didn't mean to hurt you
So much to forgive and forget
Can't take anymore of this hurt
On no, Oh no
There's so many things I regret
Where are you now
The fears are comin' back to me once again
Oh, I wish you were here
Takin' good care of me
I want you
I feel as though I'm out in the cold
Shut me out
Out in the cold
Where are you now
Hear me calling
I need you I'm so cold
Can't you hear my heart beat
Out in the cold
Please rescue me
Give me a chance baby
There's nothing I wouldn't do to make it alright
Just for one more chance baby
I need all your lovin' tonight
Where are you now
The fears are comin' back to me once again
Oh, I wish you were here
Takin' good care of me
I want you
I feel as though I'm out in the cold
Shut me out
Out in the cold

Where are you now
Hear me calling
I need you I'm so cold
Can't you hear my heart beat
Out in the cold
Please rescue me
Why don't you rescue me
Cold
Shut me out
Out in the cold
Where are you now
Hear me calling
I need you I'm so cold
Can't you hear my heart beat
Out in the cold
Please rescue me
Why don't you rescue me
I'm so cold
Shut me out
Out in the cold
Where are you now
Hear me calling
I need you I'm so cold
Can't you hear my heart beat
Out in the cold
Please rescue me
