I'm That Dude

Lyrikill

Id like welcome everybody to the new sound of the south,
Lyrikill and Prospek come onAh, one two, Ah, one two
Ah, one two, Ah, one two
Ah, one two, Ah, one twoIf we talking bout the best yes thats me,
In the streets I'mma fucking legend like the map key,
Get down or lay down, how Im rocking exactly,
You either on your back or you back me,
Bars ignite fires, the consensus is thats heat,
Hotter than the center of the Earth, that deep,
And I dont want none of you wack cats to rap for me,
Put em in the bin cause they looking like trash to me,
Circle with the E, what could be wrong with that?
The wrong cats wanna act like they owning that,
Now they coming back like I put em on to rap,
Got the hand sanitizer, cleaned my palms of that,
Diamonds in the piece, freaks like, what charm is that,
The big booty thing on my arm, no harming that,
Rollin wit the whole squad, try to harm these cats,
Youll be on your back flat, singing songs in black(Chorus)Oh they they got cash wanna throw it at dude and
Try to back dude because I am that dude,
I dont need they lil money man, Ill throw it at you,
If so if thats true, cause I am that dude,
Handling my business shit and plus I rap too,
And flip the tracks too, cause I am that dude,
In this bitch permanent as a fucking tattoo,
Cause I am that dude, cause I am that dude, LyriYo the first branch the 3rd leaf, whoever want and got beef,
I politic, show no love so nigga dont creep,
No doubt, dont speak, rising high, won't peak,
Prolly got a enlarged prostate, you flow weak,
Raped by ya label, what kinds dope you been on,
Only getting one point of ya album, u unicorn,
Shrink to fit levis wit the his my uniform

You going against me, must been smoking white rock,
Know Im on the beat like a white cop,
Flow is so sweet like that white drop, asking when I might drop,
Favorite Js 3s, I do the Ones in hi top,
If they got them OG colorways, I might cop,

If she got the ass I pass by, I might stop,
Itll be a lie to imply that I might flop(Chorus 2x)Oh they they got cash wanna throw it at dude and
Try to back dude because I am that dude,
I dont need they lil money man, Ill throw it at you,
If so if thats true, cause I am that dude,
Handling my business shit and plus I rap too,
And flip the tracks too, cause I am that dude,
In this bitch permanent as a fucking tattoo,
Cause I am that dude, cause I am that dude, LyriOh they they got cash wanna throw it at dude and
Try to back dude because I am that dude,
I dont need they lil money man, Ill throw it at you,
