

# Wanna Get With You

## Allure

Hey, all I wanna do  
All I wanna do is sex your body  
Get you in the mood  
Get you open on the scent for lovin'  
Baby there won't be no rules  
We can go all night talkin'  
Talkin' 'bout the things that we're gonna do  
If we just do what we want, do what we gotta do  
I just wanna get with you

Oh, sexy baby  
Let's turn down all the lights  
I just wanna get your body ready  
For makin' good love all night  
I just wanna touch your tender body  
In places you've never been touched  
Baby let me tease you, baby please you  
Oh, make you fall in love  
All I wanna do is sex your body  
Get you in the mood  
Get you open on the scent for lovin'  
Baby there won't be no rules  
We can go all night talkin'  
Talkin' 'bout the things that we're gonna do  
If we just do what we want, do what we gotta do  
I just wanna get with you  
I'm yearnin' for your 4-play lovin'  
I'm burnin' like a fire inside

I'm an addict to a loving I'm receivin'  
Got me feelin' so hot tonight  
Make me wanna do things, do things baby  
Things I never done before  
We can get it on, we can get it on  
Word is born till the break of dawn  
Can you feel the touch of your body caresses over me  
Holdin' each other so gently endlessly  
Forever and ever and ever makin' love  
Let's show it can be so and be, hold me  
All I wanna do is sex your body

We can go all night talkin'  
I just wanna get with you  
All I wanna do is sex your body  
Get you in the mood  
Get you open on the scent for lovin'  
Baby, there won't be no rules  
We can go all night talkin'  
Talkin' 'bout the things that we're gonna do  
If we just do what we got, do what we gotta do  
I just wanna get with you  
Oh, deep in love we'll be  
Oh, share eternity  
Oh fall in love babe  
I can't wait, I can't wait  
Oh, oh, oh
