Alcohol

Brett Hendrix Band

Its 2 in the morning
Â it's time for a last call
Â you got liquor on your breath
Â and you're picking up your phone
Â I get this call from time to time and I'll listen to your lies
Â saying you still love me and you need me tonight
Â with alcohol

Alcohol

Â You put my faith to the test
Â you won't give me no rest
Â played games with my head
Â and you won't leave me alone
Â You have three other men
Â I never knew about them
Â but you took us all in and left us at the bottom of your glass
Â so I just stay away
Â try to keep from the mistake
Â of alcohol
Â alcohol
Â don't matter if it's vodka tequila
Â or whiskey on ice
Â cause you always want me
Â every single time
Â the only time you ever call
Â is with alcohol

Â Alcohol
Â Alcohol
Â Alcohol
Â Alcohol

Â don't matter if it's vodka
Â tequila or whiskey on ice
Â cause you always want me
Â every single time
Â the only time you ever call
Â is with alcohol.

Â Alcohol
Alcohol
Â Alcohol
Alcohol
