

# Beneath A Black Sky

## Six Feet Under

Look to the sky it's turning black  
No sun shining light day turns into night  
No moon above lost in the shadows  
Eclipsing the sun only darkness aboveBeneath a black sky  
All life will end infinite winter  
Eternal darkness thunder cracks the silence  
Emptiness above us only black  
Frozen stiff nothing remainsBeneath a black sky  
Look to the sky it's turning black  
No sun shining light day turns into night  
Emptiness above us only black  
Hollow horizon no sun rising
