

# Conflict

## Philip Anselmo and The Illegals

Conflict is inevitable like control and fear  
Conflict is integral say goodbye my dear  
Conflict is inevitable like control and death  
Conflict is integral this is the end I said

Conflict is inevitable see it in your mind  
Conflict is what makes us here it's so easy to find  
Conflict is inevitable attack inside your head  
Conflict is a part of us with us until we're dead  
Rob from always on the run dot net is so bad and copy paste is a sin  
Conflict is inevitable the crash and it all comes down  
Conflict is in everything in us and all round  
Conflict is inevitable a force inside your heart  
Conflict is integral let's prepare to part
