

I'm Down

Malachiae Warren

Every time I see you babe, Want you more and more
Want you more and more, Woahhh
I don't care if it's violating, I'm tired of waiting ohhh
I'm down to (please you), I'm down to (taste you babe)
I'm down to (come through on a late night), I'm down to (get your body and your mind right)
I'm down to (do what he won't do), I'm down to (do what he won't do)
I'm down to (Oooh, oooh, oooh), I'm down to (Oooh, oooh, oooh)
Won't you make it easy and just treat yourself
Your body need attention and I'm here to help
Said your man ain't here he left you by yourself
Jump in the ride, hit 85, see you in 5
I'm young but I'm ready, I can teach you something if you let me
Just tell me what it is, Shawty you gon get the bizz
Shawty you gon get the bizz, Yeah, yeah
I'm down to (please you), I'm down to (taste you babe)
I'm down to (come through on a late night), I'm down to (get your body and your mind right)
I'm down to (do what he won't do), I'm down to (do what he won't do)
I'm down to (Oooh, oooh, oooh), I'm down to (Oooh, oooh, oooh)
Tryna slide through cause I know it's good
They gotta talk about it cause it's understood
Fresh up out the shower girl your body is calling
Jump in the ride, hit 85, see you in 5
I'm young but I'm ready, I can teach you something if you let me
Just tell me what it is, Shawty you gon get the bizz
Shawty you gon get the bizz, Yeah, yeah
I'm down to (please you), I'm down to (taste you babe)
I'm down to (come through on a late night), I'm down to (get your body and your mind right)
I'm down to (do what he won't do), I'm down to (do what he won't do)
I'm down to (Oooh, oooh, oooh), I'm down to (Oooh, oooh, oooh)
I'm down to (please you), I'm down to (taste you babe)
I'm down to (come through on a late night), I'm down to (get you body and your mind right)
I'm down to (do what he won't do), I'm down to (do what he won't do)
I'm down to (Oooh, oooh, oooh), I'm down to (Oooh, oooh, oooh)
Every time I see you babe, Want you more and more
Want you more and more, Woahhh
I don't care if it's violating, I'm tired of waiting ohhh
I'm down to...
