Damaged Goods

Devotchkas

We see her cum around
Looking like a busted hound
She cums to all the shows
Ready to take off her clothes
For any guy in a band
As her pride slips her handShe's got crabs
She's got the drip
She's a whore
She's damaged goods
She's got herpes
She's got aids
She's got it all
She's damaged goodsShe always walks down the street
Acting like she's so sweet
But the truth we all know
She's nothing but an easy ho
If she only understood that
All she is, is damaged goodsShe's a loose legged bitch
She only comes around to suck dick
Guys get her with ease
As she spreads a nasty disease
She should be tested 'cause
She must be infested
